- (c) Buyer agrees that there are no other warranties either expressed or implied and hereby waives and relinquishes any and all implied warranties of habitability and fitness and agrees to rely solely on Seller's limited warranty set forth in this Agreement. Buyer acknowledges and agrees that Seller is relying on this waiver and would not sell the property to Buyer without this waiver. The provisions of this paragraph shall survive Settlement and delivery of the Deed to Buyer and shall apply in equal force and effect as long as Buyer owns the Unit. For example, in the event Buyer decides to sell the Unit, Seller shall not be obligated to make any repairs recommended by a home inspector hired by a prospective purchaser, unless said recommended repairs are expressly within the scope of warranties given herein.
- (d) Buyer hereby waives and relinquishes all claims against Seller for damages to property or personal injury arising after the date of this contract and relating to any claims for repairs or modifications to the property except as specifically covered by the Seller's limited warranty set forth in this Agreement.

Where trees exist upon the premises, Seller will take reasonable effort to avoid damage; however, in no event will Seller be liable for damage to trees. Seller shall leave all areas with trees in their natural state if so determined by Seller. Vegetation shall remain or be removed at the sole discretion of Seller.

- (b) Seller will plant a landscaping package and site trees per the Township approved plan. Trees and shrubs are subject to change based on availability. No guarantee for on-lot plantings. Seller is not responsible for cold and/or dry weather or rains that hinder the growth of the shrubs and/or trees.
- (c) Some portions of the Property may be encumbered by Amended Soils (a mixture of topsoil and all or some of the following: compost, sand, peat, hardwood bark mulch). While this is excellent for grass and tree growth, the Buyer may notice the lawn area is “softer” after rain. This is normal.
- (d) Seller will finish grading of the lot and seeding of the site in an area not to exceed 1/2 acre (including the land on which the house is built) but no grading or seeding shall be done in areas with trees or abnormal topography. Grading will be done with the soil that exists on the said Lot. No soil will be brought in to elevate or add due to the topography.

22. **ROCK:** In the event Seller encounters a subsoil rock formation which (1) prevents penetration with standard excavating equipment, and which (2) requires pulverizing or blasting or construction modifications, then Buyer will be responsible for the cost of removing such rock and/or for the cost of such construction modifications over and above the contract price specified herein.

24. **AGENCY:** It is expressly understood and agreed between Seller and Buyer that the within-named agent, broker, Vanguard Realty Associates, LLC (“Broker”) and any sub-agent, broker and their sales people, employees, officers, and/or partners are the agents for Seller, not Buyer, and that this was disclosed during the initial interview. Further, no agent of Seller has any authority to make any representations, covenants, agreements, or the like, with respect to the Unit. Agent, however, may perform services for Buyer in connection with financing, insurance, and document preparation. Buyer further authorizes Seller's agent to prepare documents and other conveyancing services for Settlement.
25. **NO ENTRY:** Buyer warrants and agrees not to enter the Unit or the Community at any time without written permission from Seller and Buyer further warrants and agrees that he will not do any work himself or authorize anyone to do work of any kind on the Unit prior to Settlement, i.e., Buyer is required to use Seller’s subcontractors for all work inside and outside of the Unit prior to Settlement. Any costs incurred by the Seller as a result of Buyer’s failure to comply with this paragraph will be the responsibility of the Buyer at a rate of \$100.00/hr plus materials.
26. **PRE-SETTLEMENT INSPECTION:** Upon notification by Seller, Buyer and Seller shall make an inspection of the dwelling prior to settlement. At the inspection, Buyer and Seller shall complete and sign a Pre-Closing Inspection Form which shall list any items which will be completed and/or repaired within a reasonable time after settlement (the “Punchlist”). The Punchlist shall not constitute a bar to settlement, and settlement shall be held in accordance with the terms and conditions of this Agreement. Failure of Buyer to inspect on the scheduled appointment date or to complete the inspection or to sign the Punchlist shall constitute a waiver of Buyer’s right to inspect the dwelling and shall be deemed full acceptance of the dwelling by Buyer.
27. **NO ASSIGNMENT:** This Agreement shall not be assigned or transferred by Buyer without the written consent of Seller being first had and obtained. Subject to the

28. **SALE OF BUYER'S HOUSE:** Buyer acknowledges that this Agreement is in no way contingent upon the sale and Settlement of any real estate currently owned by Buyer.
29. **ENTIRE AGREEMENT:** This writing contains the entire agreement between the parties and no agent, representative, salesman or officer of the parties hereto has the authority to make or has made any statement, agreement, representation or contemporaneous agreement, oral or written, in connection therewith modifying, adding to or changing the terms and conditions set forth herein. No dealing between the parties or customs shall be permitted to delete, contradict, vary or add to the terms thereof. No modification of this Agreement shall be binding unless such modification shall be in writing and signed by the parties hereto. This Agreement and any written modifications, if any, shall not be deemed binding unless signed by the authorized individual on behalf of Seller.
30. **DEED ACKNOWLEDGEMENT:** Buyer acknowledges that Seller is not yet the owner of the tract of ground which is the subject of this Agreement of Sale. Buyer further acknowledges that at settlement, the deed to Buyer may be from the legal owner of the property but that Buyer's dealings and contractual relationships regarding the construction of the Unit have solely been with Seller, and Buyer agrees to look solely to Seller for performance of this Agreement and agrees to indemnify and hold harmless the legal owner from any claim or cause of action arising out of the construction of the Unit contemplated herein including reasonable attorneys fees. The parties agree that if the legal owner is named as a defendant in any legal or equitable action relating to the sale of the property for construction of improvements other than an action based on the legal owner's failure to deliver a deed when both Buyer and Seller so direct, the parties so naming the legal owner as a party to such action shall reimburse legal owner for its actual and projected defense cost, including attorneys' fees.

36. **MOLD:** Mold is found in both the indoor and outdoor environment, including Units. Mold growth is highly dependent on the presence of moisture. When a mold spore comes into contact with a wet or damp surface indoors, the mold begins to grow. Mold spores will not grow unless there is moisture present in your Unit. Therefore, as a homeowner, whether or not you experience mold growth depends to a large extent on how you maintain your home and whether there is a source of moisture present in your home. As a Seller our responsibility is limited to things that we can control and which are provided for in our warranty. By executing this Agreement you agree that as a Seller we are not responsible for any damages caused by mold, including but not limited to, property damage, personal injury, loss of income, emotional distress, loss of use and adverse health effects.
37. **INSTALLATION OF ADDITIONAL IMPERVIOUS COVER:** Buyer acknowledges that the storm water management plan that is part of the subdivision of which your lot is a part, was calculated based upon the impervious cover proposed to be installed by Seller. If, after Settlement, Buyer creates additional impervious cover by expanding Buyer's driveway, installing a patio, swimming pool, tennis court or similar facility, and that additional work results in the municipality requiring Seller to perform additional storm water management control, then the cost of that control shall be borne by Buyer. The cost shall include Seller's design fees, municipal review fees and any costs incurred by Seller.
38. **DRIVEWAY APRON AND CURB DAMAGE AFTER SETTLEMENT:** In the event that after settlement Buyer has work done, such as the installation of a pool, and when that work results in damage to the driveway apron or curbs fronting the lot, the Buyer shall be solely responsible for the repair of the driveway apron and/or curb. In the event that Buyer damages the sidewalk at the front of the property by putting salt or other chemicals on the sidewalk, then Buyer shall be solely responsible to repair that sidewalk.

As part of the NPDES permit, Seller was required to prepare an approved Post Construction Stormwater Management Plan (“PCSM Plan”) which details the location and type of stormwater management facilities within the subdivision, including those located on individual lots, and the responsibility for maintenance of such stormwater management facilities. Buyer acknowledges having the opportunity to review the PCSM Plan and agrees not to take any actions, either before or after settlement, which would impact any stormwater management facility shown on the PCSM Plan or Seller’s ability to finalize and close out its NPDES permit. Further, Buyer agrees to maintain any stormwater management facility on Buyer’s lot as required by the PCSM Plan. This paragraph shall survive settlement. If Buyer violates the terms of this paragraph, Buyer shall be responsible to Seller for the cost of correction of Buyer’s violation including design fees, municipal review fees, attorney’s fees, and any costs or penalties incurred by Seller. Buyer agrees to work with Seller on the Notice of Termination of Construction Activities.

40. HOMEOWNERS ASSOCIATION:
